"The trip was special because it was surreal to witness as my new friends found a part of themselves that they had not known existed. I met friends as they set foot in the same synagogue where their ancestors had prayed and left their marks, and we all had an unforgettable time exploring beautiful beaches and vibrant city nightlife. Thank you for the rare opportunity to partake in this journey."

"This trip was absolutely incredible. It was special, met many great people, and made many great memories. I would very strongly recommend this trip to any and all of my friends. It was epic."
